

令和 2 年度業績 (2020.04.01-2021.3.31)

原著論文：英語

Kenji Ohba, Eisaku Okada, Yoshie Goto, Sadako Suzuki, Masashi Machii, Daishi Nonaka, Akio Matsushita, Shigekazu Sasaki, Takafumi Suda, Yutaka Oki, Hiroyuki Takase.

Influence of thyroid dysfunction on brain natriuretic peptide level in health examination participants.
Endocr J. 2020 Apr 28; 67(4):449-454.

Daishi Nonaka, Hiroyuki Takase, Masashi Machii, Kazuto Ohno.

Colchicine therapy for deep vein thrombosis in a patient with vascular-type Behçet's disease: A case report.
Medicine (Baltimore). 2020 Apr;99(16): e19814.

Tatsuya Mizoguchi, Tomonori Sugiura, Yasuaki Dohi, Hiroyuki Takase, Satoshi Fujii, Yoshihiro Seo, Nobuyuki Ohte.
Indices of left ventricular voltage on electrocardiogram are closely associated with serum cardiac troponin I levels in normotensive Japanese individuals.

Medicine (Baltimore). 2020 May;99(19):e19992.

Tatsuya Mizoguchi, Tomonori Sugiura, Yasuaki Dohi, Hiroyuki Takase, Sumiyo Yamashita, Shunsuke Murai, Yoshihiro Seo, Nobuyuki Ohte.

Home blood pressure on winter mornings could be exaggerated: a comparison with summer mornings.
Clin Exp Hypertens. 2020 Nov 16;42(8):700-706.

Tomonori Sugiura, Yasuaki Dohi, Yasuyuki Takagi, Takashi Yokochi, Naofumi Yoshikane, Kenji Suzuki, Takamasa Tomiishi, Takashi Nagami, Mitsunori Iwase, Hiroyuki Takase, Yoshihiro Seo, Nobuyuki Ohte.

Close Association between Subclinical Atherosclerosis and Pulmonary Function in Middle-Aged Male Smokers.
J Atheroscler Thromb. 2020 Nov 1;27(11):1230-1242.

Tomonori Sugiura, Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Kazuto Ohno, Nobuyuki Ohte, Yasuaki Dohi.
Central blood pressure predicts the development of hypertension in the general population.

Hypertens Res. 2020 Nov;43(11):1301-1308.

Tomonori Sugiura, Yasuaki Dohi, Hiroyuki Takase, Satoshi Fujii, Yoshihiro Seo, Nobuyuki Ohte.

Relationship of pulmonary function with myocardial microdamage and oxidative stress in the Japanese population without a history of cardiopulmonary disease.

Medicine (Baltimore). 2020 Aug 28;99(35): e21945.

Hitomi Hayabuchi, Rieko Morita, Masanori Ohta, Akiko Nanri, Hideki Matsumoto, Shoji Fujitani, Shintaro Yoshida, Sadayoshi Ito, Atsushi Sakima, Hiroyuki Takase, Miho Kusaka, and Takuya Tsuchihashi.

Validation of preferred salt concentration in soup based on a randomized blinded experiment in multiple regions in Japan—influence of umami (L-glutamate) on saltiness and palatability of low-salt solutions.

Hypertens Res. 2020 Jun;43(6):525-533.

Takuya Tsuchihashi, Toshihiko Ishimitsu, Katsuyuki Ando, Miho Kusaka, Atsuhiko Ichihara, Katsuyuki Miura, Yuhei Kawano, Takafumi Ishida, Hiroo Kumagai, Atsushi Sakima, Hiroyuki Takase, Hitomi Hayabuchi, Hiroshi Itoh.

JSH Statement: Tokyo declaration promoting salt reduction by the Japanese Society of Hypertension—the JSH Tokyo declaration.

Hypertens Res. 2020 Nov;43(11):1133-1134.

著書：日本語

人間ドックにおける減塩指導の効果
遠州病年報 (Ann. Enshu. Hosp.) 26: 30-39, 2020

学会発表

国際学会

Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Kazuto Ohno, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

Effect of advancing age on dietary salt intakes: a 10-year follow-up study.

ESC Congress 2020; Scientific Congress of European Society of Cardiology. August 29 – September 2, 2020.

Web-meeting

Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Kazuto Ohno, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

Excessive salt intake is a significant predictor for future development of metabolic syndrome in the general population.

ESC Congress 2020; Scientific Congress of European Society of Cardiology. August 29 – September 2, 2020.

Web-meeting

Kazuto Ohno, Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi. What is the optimal blood pressure level for kidney in the general population?

ESC Congress 2020; Scientific Congress of European Society of Cardiology. August 29 – September 2, 2020.

Web-meeting

Shunsuke Murai, Tomonori Sugiura, Yasuaki Dohi, Hiroyuki Takase, Tatsuya Mizoguchi, Sumiyo Yamashita, Yoshihiro Seo, Satoshi Fujii, Nobuyuki Ohte. Arterial stiffness could reflect increased cardiac load and reduced pulmonary function in the general population.

ESC Congress 2020; Scientific Congress of European Society of Cardiology. August 29 – September 2, 2020.

Web-meeting

国内学会

Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Kazuto Ohno, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

Which Factor Predicts Major Adverse Cardiovascular Events in Health Check-up Participants?

第84回日本循環器学会学術集会 令和2年7月31日～8月2日 京都+ Web開催

Yuki Takeuchi, Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Kazuto Ohno, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

Effect of Advancing Age on Dietary Salt Intakes: A follow-up study.

第84回日本循環器学会学術集会 令和2年7月31日～8月2日 京都+ Web開催

Shu Yanagida, Hiroyuki Takase, Masashi Machii, Daishi Nonaka, Kazuto Ohno, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

Dietary Salt Intake is Associated with Future Development of Metabolic Syndrome in the General Population.

第84回日本循環器学会学術集会 令和2年7月31日～8月2日 京都+ Web開催

Tomonori Sugiura, Yasuaki Dohi, Hiroyuki Takase, Mitsunori Iwase, Yoshihiro Seo, Nobuyuki Ohte.

Relationships of Obesity-Related Indices and Metabolic Syndrome with Subclinical Atherosclerosis in Middle-Aged Subjects.

第84回日本循環器学会学術集会 令和2年7月31日～8月2日 京都+ Web開催

安本美登里、後藤良重、高瀬浩之

当院における減塩啓蒙活動

第69回日本農村医学会学術総会 令和2年10月15日～11月14日 Web開催

Hiroyuki Takase, Masashi Machii, Kazuto Ohno, Kazusa Hayashi, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

Year-to-Year Blood Pressure Variability and Target Organ Damage

第85回日本循環器学会学術集会 令和3年3月26日～28日 東京+ Web開催

Kazusa Hayashi, Hiroyuki Takase, Masashi Machii, Kazuto Ohno, Shin Takayama, Tomonori Sugiura, Nobuyuki Ohte, Yasuaki Dohi.

What is the Optimal Blood Pressure Level for Kidney in Hypertensive Subjects under Medication?

第85回日本循環器学会学術集会 令和3年3月26日～28日 東京+ Web開催
